See You @ C U H K
The Chinese University of Hong Kong

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK’s firmly rooted Chinese culture, multiculturalism and its unique college system set itself apart from other universities in Hong Kong and in the region.

CUHK has always been at the forefront of teaching and research, nurturing the next generation of leaders in all fields and advancing the frontiers of knowledge and technology. The galaxy of distinguished scholars and researchers at CUHK include a Nobel Laureate, a Fields medallist, a Turing Award winner, and countless academics with international recognition.

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in greenery. Over the years, it has evolved into the largest, greenest and most sustainably designed campus in the city. A wide range of academic, residential, sports and leisure facilities provide an all-round campus experience for anyone studying at CUHK.

8 Academic Faculties
Arts, Business Administration, Education, Engineering, Law, Medicine, Science and Social Science

9 Colleges
Chung Chi, New Asia, United, Shaw, Morningside, S.H. Ho, C.W. Chu, Wu Yee Sun and Lee Woo Sing

20,000+ Student Population

Asia’s World City, City of Life

Hong Kong is not just an ordinary metropolitan city. It is the hub of Asia. A city that never sleeps with non-stop intensity. A perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Experience life in an international cosmopolitan

About nine percent of Hong Kong’s population of 7.34 million are from foreign countries, creating multicultural lifestyles that are unique to the city.

US$1,140 billion, 3.2% of world total
Total trade value in 2017

1,413
MNC regional headquarters

Learn about business and trade in the world’s freest economy

Hong Kong has exceptional autonomy in trade and business where many multi-national corporations establish Asian headquarters here. Many people come to learn the secrets of Hong Kong’s success and to establish networks for their future career.

1842-1997
Hong Kong was a British colony

10th century CE
Chinese people began settling in Hong Kong

Follow traces of Chinese and Western cultures

Traditional Chinese values such as loyalty to friends and family, and respect for the elderly are well preserved while its history as a former British colony has left a legacy of western ways.

Eat and shop around the clock

Street stalls and shopping malls offer great bargains and operate until late in the evening. Chinese and international cuisines are available and delicious night snacks can be found at 24-hour eateries.

Travel to Mainland China and Asia in a blink

The train from CUHK reaches the border of mainland China in just 25 minutes. A day trip to Shenzhen or a study break to Beijing are just some of the extensive options available. Being in the centre of Asia, travelling around is extremely fast and easy.

The CUHK International Summer School (ISS) is one of the most reputable and recognised summer programmes in the Asia-Pacific region. Each year, more than 600 international and local students join the July and August Sessions of the ISS to experience its intensive academic sessions and Chinese culture immersion in a bilingual and multicultural learning environment.

23 June to 31 July 2019

In the five-and-a-half-week programme, you can enrol in up to two 3-credit courses, each with 42 to 45 contact hours, taught entirely in English*. Areas of study include:

- Business and Management
- China Studies
- Chinese language (Putonghua / Mandarin and Cantonese)
- Environment, Science and Technology
- Humanities & Social Science

* Except Chinese Language courses.

4 to 24 August 2019

The three-week programme offers intensive Chinese language training in Putonghua (Mandarin). You enrol in two 3-credit courses, each with 42 contact hours. The programme will give you an opportunity for you to acquire pragmatic competence in the Chinese language through classroom learning and immersion activities.
International Learning Environment
Interact with local and international students from around the world in Hong Kong at the beautiful CUHK campus.

Outstanding Academics
Learn from and engage with leading academics from CUHK and prestigious overseas universities.

Comprehensive Student Support
Get extensive support from a team of advisors for all your application, visa, housing, course and pastoral care needs.

Cultural & Social Immersion
Experience the local culture, see firsthand the Hong Kong society and learn about the different sectors that make up its vibrant cityscape through activities, excursions and visits.

Optional On-campus Accommodation
Guaranteed shared accommodation in on-campus housing with international and local students, fully furnished with high-speed internet.

Optional Beijing Tour
Join the four-day tour and explore China’s capital and famous historical landmarks including the Great Wall, Forbidden City, Tiananmen Square and many more (For participants of the ISS July Session only).

Summer Undergraduate Research Programme

The Summer Undergraduate Research Programme (SURP) provides an opportunity for international undergraduate students to undertake research attachments for 8 weeks at CUHK during the summer. Students will conduct research under the supervision of a CUHK faculty member and earn 3 credits upon successful completion of the programme.

23 June to 18 August 2019

✦ Develop research skills and knowledge in a specific area of interest
✦ Join a world-class research team and work alongside leading experts in the field
✦ Experience postgraduate studies first hand
✦ Establish professional networks for future career
✦ Spend the summer in the vibrant city of Hong Kong
✦ Immerse in the local culture through activities and excursions
✦ Live on-campus with other local and international students
Research Topics

Around 80 research projects across different disciplines are available for SURP participants. For the most updated list of topics available, please visit the programme website. Here are some research projects from SURP 2018.

Faculty of Arts
- Brain & Language
- Speech Production & Perception Research

Faculty of Education
- Using Robot-Based Intervention to Teach Children with Autism Social Communication Skills

Faculty of Engineering
- Autonomous Agents & Multiagent Systems
- Photonics Based on Two-Dimensional Nanomaterials

Faculty of Law
- Climate Change Litigation
- International Law on Foreign Investment

Faculty of Medicine
- Functional Importance & Clinical Implication of Novel Genes in Gastric Cancer
- Green Tea for Treatment of Endometriosis

Faculty of Science
- Extracting Physics from Gravitational Waves
- Molecular Research on Rice Response to Disease

Faculty of Social Science
- Gender Unbound: Young Hunks in Asian Media
- The Effects of Global Change on Soil Greenhouse Gas Exchange in a Subtropical Forest of Hong Kong
