

VSE incoming students will be registered to International Asia Studies Programme (IASP) under the Office of Academic Links (OAL) at CUHK if their application is successful.

To speed up the admission and course enrolment process, please submit the online application, and send the following items to alexchaukw@cuhk.edu.hk by Dec 11 (Hong Kong Time).

1. Copy of completed online application form (print page as pdf document)
2. Copy of students' passport (If the passport expired, students can provide other valid identity document for record.)
3. Copy of Hong Kong Permanent Identity Card (if any)

Submitting an online application to CUHK does not mean your application has been approved. It would still subject to academic departments' approval. Completion of application and provision of passport copies are needed at this time because of the tight admission schedule.

Students should take note of the following points.

Please read the following instructions thoroughly before you start working on the online application.

- 1) Go to https://iasp.oal.cuhk.edu.hk/oal_prd_incoming/Common/iasp_incoming_login.aspx
- 2) Click 'New Application'
- 3) Input your name and date of birth in Section 1
- 4) Click 'Save', then input your 'Login Information' (Enter the email address you used to create your VSE online application form)
