## Courses available for online pre-selection (1st Term, 2022-23)

(Last updated date: 18 Jul 2022)

(1) The following courses are for the 1st term online course pre-selection which is not on a first-come-first-served basis (**Except for CHES undergraduate courses and Law courses**). You may add some more courses that are available in the 1st term at the beginning of the term. You will be notified the arrangement details in due course.

(2) Undergraduate courses are coded 1 - 4 while postgraduate courses are coded 5 – 9. The first numeral in the course code of undergraduate courses stands for the level of study. Normally, courses in the 1000 level are lower division courses while courses in the 3000 and 4000 levels are upper division courses. For courses in the 2000 level, the classification of division varies according to policies of individual departments.

## Courses available for online pre-selection (1st Term, 2022-23)

(Last updated date: 18 Jul 2022)

(1) The following courses are for the 1st term online course pre-selection which is not on a first-come-first-served basis (**Except for CHES undergraduate courses and Law courses**). You may add some more courses that are available in the 1st term at the beginning of the term. You will be notified the arrangement details in due course.

(2) Undergraduate courses are coded 1 - 4 while postgraduate courses are coded 5 – 9. The first numeral in the course code of undergraduate courses stands for the level of study. Normally, courses in the 1000 level are lower division courses while courses in the 3000 and 4000 levels are upper division courses. For courses in the 2000 level, the classification of division varies according to policies of individual departments.

(3) Please pay attention to the remarks and visit [http://www.oal.cuhk.edu.hk/files/incoming/Timetable\\_Course\\_Desc.pdf](http://www.oal.cuhk.edu.hk/files/incoming/Timetable_Course_Desc.pdf) for teaching timetable and course description.
