Virtual Summer Programmes in 2021

1) Eligibility

- All local CUHK undergraduate students are welcome to apply for the programmes except for those who:
 - are participating in outgoing exchange in 2020-21; and
 - have received an offer/nomination for outgoing exchange in 2021-22.

2) Application Procedures and Selection Schedule

Date & Time (2021)	Deadline/Activity
15 April (09:00)	Webform available for application
19 April (23:59)	Deadline for application
23 April (17:00)	Announcement of application results via email
26-27 April (updated)	Submission of offer acceptance documents by students, if applicable

3) Available Programmes

- Click [here](#) for the list of selected virtual summer programmes for application.
- Students should pay attention to the following when applying for the programmes:
 - Eligibility to join the programme(s), i.e. whether you meet the admission requirements specified by host institutions;
 - Class meeting dates and time. Classes of some programmes will take place in the evenings or during midnight at Hong Kong time. Most programmes offer synchronous classes and require real-time participation by students in classes; and
 - Interests in the courses offered by the programmes.

4) Completing a Webform

- Interested students must **complete and submit a [webform](#) from 15 April 2021 (09:00) to 19 April 2021 (23:59).**
- For programmes having a minimum TOEFL/IELTS score requirement, students must upload a copy of score report from a TOEFL/IELTS test taken on or after 1 September 2019 to the webform.

5) Placement Allocation

- Applications submitted according to the instructions will be processed by OAL after the deadline. Incomplete and/or late applications will not be considered.
- Quotas are limited in the programmes. Eligible students would be provided an offer, if any, according to their choice of programmes and quota availability. Student's expected graduation date, previous participation in non-local learning programmes offered by CUHK and cumulative GPA (CGPA) as of 20 April 2021 will also be taken into consideration.
- In the placement allocation process, students meeting the following criteria¹ will be given priority:
 1. Have not participated in any non-local learning programmes offered by CUHK units (as of 20 April 2021);
 2. Have an earlier expected graduation date (as of 20 April 2021) on CUSIS;
 3. Have a higher CGPA as of 20 April 2021; and
 4. Have not received any offer of non-local learning programmes from CUHK units in the past or for future.
- Should there be available quotas and eligible applicants with the same expected graduation date, previous non-local learning experience and CGPA, OAL will draw lots to decide.
- Placement results will be announced on 23 April 2021 via email.

6) Deposit and Tuition/Programme Fee

- Successful applicants will be sponsored to participate in one of the selected virtual summer programmes. These students do not need to pay any tuition/programme fee to the host institutions, but a deposit of HK\$1,500 to OAL which will be refunded upon successful completion of the programmes.
- For processing of the deposit refund, students must submit to OAL a transcript or certificate of completion issued by the host institutions by 30 September 2021; otherwise, no refund of the deposit will be arranged.
- The deposit will not be refunded if students fail to complete a programme, i.e. attending classes and activities, and completing assignments and assessments of the programme.
- It is possible for students to apply to the host institutions directly, i.e. not applying through OAL. However, these students will be required to pay to the host institutions the programme fee or tuition.

¹ Sequence of the listed criteria matters.

7) Enquiry

- Students are welcome to approach OAL Student Advisors for information/advice on the virtual summer programmes before submitting an application.

Region	Student Advisor
Asia	Ms. Vicky CHENG (vickycheng@cuhk.edu.hk)
Europe	Ms. Nicky PANG (nickypang@cuhk.edu.hk)

**OAL reserves all rights to change the application arrangements (including programme availability) and make final decision on student's eligibility and placement allocation.*
